The following statement MUST be signed by the salon owner: I grant MODERN SALON Media or anyone designated by MODERN SALON Media permission to reproduce any and/or all of my photographs, floor plans and other supportive material in any way they see fit or to re-photograph my salon if necessary. Upon entering this competition, I waive the right to make claims against the judges of the competition, MODERN SALON Media or any group that endorses the competition or assists in its conduct. I understand the decision of the judges is final. All photographs become property of MODERN SALON Media.

Since SALONS OF THE YEAR 2019 is a **photo-based competition**, it is highly recommended that entrants use a **professional photographer** who has specific experience in photographing interior environments. Salon mirrors and lighting are just two challenges to capturing the ambiance and impact of your beautiful new or improved salon. Also, please make sure there are **NO people, products or clutter** in your shots. You may submit one image that includes the owners and/or staff. (NOTE: Product is allowed in your retail areas.)

You are also strongly urged to **schedule your shoot early**, well before the January 31, 2019, deadline. You will need adequate time to review and edit the images and compile your application. You may need to re-shoot certain areas. A good goal might be to mail your entry three weeks BEFORE the deadline.

Although it is primarily a visual competition, it is also **important to accurately complete the written information** required on the entry form for SALONS OF THE YEAR. These details will impact the judging procedure.

Please remove any **protective plastic covering** from chairs and **holiday decorations** that may date your images.

Ten digital images must be high resolution (at least 300 dpi, and at least 9" x 12"), **on a CD or USB** and submitted with your application. Digital images that do not meet this criteria will be **immediately disqualified**. **Please label your CD or USB with your salon name and location.**

Please make sure owner's cell phone, email or other contact number appears on front. We will not share or solicit to this number, but we need to be able to reach you easily.

Requirements

1. Ten digital images (high resolution, on CD) must be submitted.
No slides, color prints, black and white photography, polaroid prints or low resolution digital images will be accepted.
2. Each CD or USB drive must be labeled with the name of the salon and the city and state in which the salon is located. MODERN SALON Media is not responsible for lost or damaged CDs or USBs. All entries become the property of MODERN SALON Media with the right of publication. No CDs or USBs will be returned (do not send your original photos).
3. Digital images should show some or all of the following areas: reception, retail, styling, shampoo, color and/or chemical services, special rooms (skin care, massage, nail, pedicure, etc.), overall view of the interior, overall view of the exterior and/or signage.
4. For remodeled salons, digital images depicting the salons before remodeling are desirable, but not necessary. Here, prints of BEFORES are acceptable but do not count toward the 10 images of the finished salon.
5. A completed entry form, including the TYPED responses to the "In Your Own Words" section, must accompany each entry.
6. Include your \$75 processing fee with check payable to SALON TODAY.

Failure to conform to any of these rules and regulations and failure to meet the deadline of January 31, 2019 will result in disqualification of the entry.

Deadline & Address

Entries must be postmarked no later than January 31, 2019. Deadline extensions will NOT be granted. Address entries to:
